MEMORANDUM TO: Assistant Director

SUBJECT : Commendation

1. Developments over the last week respecting the political situation in South Korea bear out the importance of certain reports prepared by your Office. These reports were brought to my attention on 26 May, and the Agency was thereby able to anticipate events which have since occurred and to take a firm position with respect thereto.

2. It is a pleasure to commend you personally and to ask that you convey my commendation to those in your Office concerned.
